N. G. KRISHNA IYENGAR,
Executive Engineer.

SHIMOGA DIVISION.

Notification dated 31st August 1923.

The right of fishing for the year 1923-24, in the Sulekere tank and in its feeder hallas up to the limit of full supply and maximum water level of the tank, will be sold by public auction to be held near the bund of Sulekere tank in the Channagiri Taluk.

The auction will be held on the 20th September 1923, by the Assistant Engineer in charge of No. I Sub-Division. The intending bidders should deposit before the commencement of the auction, Rs. 10 each bidder, to make him eligible to bid. The highest bidder will pay immediately the auction closes, half the highest bid amount and pay up the balance within three days. Failing which, the right will be re-auctioned at the risk of the original highest bidder and any loss to Government on that account will be recovered from him.

The petty deposits made by the unsuccessful bidders will be refunded to them.

Necessary permit and license for the right will be granted to the highest bidder by the Assistant Engineer who auctions the right and this will be subject to the formal approval of the Executive Engineer.

Regarding the methods of fishing, the licensee will strictly conform to the Government rules in force, *viz.*, (1) he shall not use dynamite, gun-powder or other explosives (2) shall not use balli balle (country creeper nets) (3) also shall not use any means which will tend to degenerate and destroy any species of fish and (4) he should not fish in the egging and other seasons prohibited by the rules.

A. TANDONI RAO,
Executive Engineer.
